2,037 Retired Lladro Figurines - Total Market Value Exceeds \$1,564,120.00*

This holiday time of year provides a wonderful opportunity for us all to be grateful for the love of family and friends. This extra special Millennium New Year we celebrate peace on earth all over our globe. Lladro is available in 109 countries and so for this edition we put together a very unusual selection of figurines from all over the world.

It's only fitting to begin our journey in Spain, the home of Lladro. No bull fight would be complete without [#L-1162G Seated Torero](#), retired in 1973 and classified as "very rare." Sweden, Denmark or Holland may be the home of [#L-5083G Dutch Mother](#), retired in 1983. YES, from France, Lladro actually did make "crystal" sculptures in 1983. There were 13-pieces in all and we have five of them, three bears and two angels... [#L-04509](#) & [#L-04514](#) are pictured here. No around-the-world journey would be complete without a ride on a camel. Lladro [#L-5402G Desert Tour](#) takes the whole family to Jordan, Egypt, Saudi Arabia and The United Arab Emirates. Another camel, minus the hump, from South America, is [#L-4561M Llama Group](#), retired in 1970.

Traveling further on to the Far East finds us on the [Road to Mandalay, #LL-3556M](#), where only 750 pieces sold-out in 1989. We then pass by a very handsome couple, [#L-4921G Chinese Nobleman](#) and [#L-4916G Chinese Noblewoman](#), both retired in 1978 (he has the beard). There are four (4) Polynesian ladies, [#L-1529,30,31,32G](#) and we've got 'em all. Rounding the bend on the way to America, we see Eskimos in Alaska aboard [#LL-1742G Onward!](#), a Limited Edition of only 1,000 pieces, sold-out in 1993. Back here at home, Lladro has created an extensive family of black figurines and we have selected [#L-5909G All Dressed Up](#) and [#L-5908G Just A Little More](#), a handsome boy and girl sitting proudly on matching embroidered chairs. The Ringling Brothers Circus started here in our own hometown of Sarasota, Florida and we have the rarest of rare clowns (retired 1978 and 1979) in [#L-1125G Pelusa](#) and [#L-4923G Serious Clown](#). Their mates (not pictured), [#L-1126G Clown with Violin](#) and [#L-4924G Languid Clown](#) are also available.

FINALLY, from mother England, we feature on our back cover, [#L-1075G Knight](#), retired in 1970. This figurine fiercely stands 17.25 inches high and was issued in 1969 for only \$170 retail. We consider it a bargain today at \$2,500. This extremely rare piece has never been at auction and we are thrilled to showcase it as a once in a Millennium find !

MERRY CHRISTMAS & HAPPY NEW YEAR TO ALL: What Holiday Edition would be complete without Saint Nick. [Lladro #L-5971G A Special Toy](#), issued in 1993 and retired in 1996, is available to all at \$895.00 + shipping. His look-a-likes, not pictured, [#L-5711G A Christmas Wish](#) and [#L-4904G Santa Claus](#), are available at \$495 and \$1,200 respectively.

By popular demand, we offer AMEX, Visa, Master Card & Discover. To expedite processing, fax orders to #941-383-8865. *A more extensive Stock List is now available on our
